KIVA
INDUSTRIES

About KIVA Industries

KIVA Industries is a multi-category B2B procurement and supply chain solutions company. We help manufacturers, corporate offices, warehouses, hospitals, hotels, retailers, e-commerce businesses and institutional buyers source everything they need through one accountable partner - with competitive pricing, verified suppliers and coordinated pan-India delivery.

Our services

- **Industrial & MRO Supplies**
  Fasteners, bearings, tools and consumables that keep your production lines running without downtime.
- **Material Handling Equipment**
  Pallet trucks, stackers, trolleys and lifting equipment for safer, faster movement of goods.
- **Office Furniture & Stationery**
  From ergonomic workstations to monthly stationery - complete workplace supply under one contract.
- **Electrical & Lighting Solutions**
  Energy-efficient lighting, cables and switchgear for factories, warehouses and commercial spaces.
- **Packaging & Housekeeping**
  Packaging materials and facility hygiene supplies delivered on predictable, scheduled cycles.
- **Corporate Gifting Solutions**
  Curated, branded gifts and welcome kits for employees, clients and corporate events.
- **Safety & Compliance**
  Certified PPE, fire safety equipment and signage to keep your workforce protected and compliant.
- **IT Procurement**
  Laptops, peripherals and networking hardware with bulk pricing and warranty coordination.

How we work

1. **Share your requirement**
2. **Get quotations**
3. **Confirm your order**
4. **Receive at your doorstep**

KIVA INDUSTRIES

PRODUCT CATEGORY

Industrial Products

Maintenance, repair and operations (MRO) supplies that keep plants running - from fasteners and bearings to hand tools, hoses, lubricants and abrasives, sourced from verified manufacturers.

Plant maintenance spares | **Fasteners & fixings** | **Hand tools & abrasives**

Deep Groove Ball Bearings

Precision bearings for motors, pumps, conveyors and gearboxes.

Bore size: 10 - 100 mm
Type: Open / ZZ / 2RS
Material: Chrome steel

Hex Bolts, Nuts & Washers

High-tensile fasteners in MS, SS and galvanised finishes.

Grade: 4.6 / 8.8 / 10.9
Finish: Zinc, HDG, SS304
Sizes: M6 - M36

Professional Hand Tool Kit

Spanners, sockets, pliers and screwdrivers for maintenance teams.

Pieces: 56 / 108 / 150
Material: Chrome vanadium
Case: Blow-moulded

Hydraulic Hoses & Fittings

Wire-braided hoses with crimped fittings for hydraulic systems.

Pressure: Up to 420 bar
Size: 1/4" - 2"
Standard: SAE 100R2

Cutting & Grinding Wheels

Abrasive discs for metal fabrication and finishing.

Diameter: 100 - 355 mm
Type: Cut-off / Flap / Grinding

Industrial Lubricants & Greases

Gear oils, hydraulic oils and multipurpose greases.

Pack: 1 L - 210 L
Grades: ISO VG 32 - 460
